### DETAILED ACTION

1. The indicated allowability of claims 16-19 are withdrawn in view of the new rejections.

See below section.

2. Claims 16-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In Claim 16, the claim language “comprising a polymeris(z)able liquid crystal material according to claim 13, or a liquid crystal polymer, liquid crystal pigment, oriented liquid crystal polymer film or marking obtained from said polymeris(z)able liquid crystal material” is vague because the claimed “liquid crystal polymer, liquid crystal pigment, oriented liquid crystal polymer film or marking” obtained from polymeris(z)able liquid crystal material is not clearly defined. Are these claimed invention obtained from the polymeris(z)able liquid crystal material according to claim 13 or something else?

In Claim 17, the claim language “comprising a polymerizable liquid crystal material according to claim 13, or a liquid crystal polymer, liquid crystal pigment, oriented liquid crystal polymer film or marking obtained from said polymerizable liquid crystal material” is vague because the claimed “liquid crystal polymer, liquid crystal pigment, oriented liquid crystal polymer film or marking” obtained from polymerizable liquid crystal material is not clearly defined. Are these claimed invention obtained from the polymerizable liquid crystal material according to claim 13 or something else?

Art Unit: 1756

What is different invention between claim 16 and claim 17 for the liquid crystal polymer, liquid crystal pigment, oriented liquid crystal polymer film or marking obtained from polymerizable liquid crystal material? The liquid crystal polymer and liquid crystal pigment are already claimed in claims 14 and 15, respectively.

***Response to Arguments***

3. Applicant's arguments filed 10/30/06, with respect to the rejections of claim in the previous Office action have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, new grounds of rejection are made in the section above.

***Allowable Subject Matter***

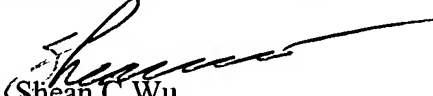

4. Claims 1-15 and 20-26 are allowed.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shean C. Wu whose telephone number is 571-272-1393. The examiner can normally be reached on 9:30 AM to 6:00 PM.
